QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What am I voting on?

- To amend the Company's Articles of Incorporation to provide for staggered terms for our Board of Directors.
- To elect six directors to our Board of Directors (Menderes Akdag, Frank J. Formica, Gian M. Fulgoni, Ronald J. Korn, Marc A. Puleo, M.D., Robert C. Schweitzer).
- To ratify the appointment of Goldstein Golub Kessler LLP as our independent registered public accounting firm.

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated Bruce S. Rosenbloom, our Chief Financial Officer and Alison Berges, our Corporate Secretary and General Counsel, as proxies for the 2005 Annual Meeting of Stockholders.

How will my proxy vote my shares?

Your proxy will vote according to your instructions. If you complete your proxy instructions but do not indicate your vote on one or all of the business matters, your proxy will vote "FOR" these items. Also, your proxy is authorized to vote on any other business that properly comes before the annual meeting in accordance with the recommendation of our Board of Directors.

Why did I receive this proxy statement?

Our Board of Directors is soliciting your proxy to vote at the annual meeting because you were a stockholder of record at the close of business on June 21, 2005, the record date, and are entitled to vote at the meeting. This proxy statement and the 2005 Annual Report to Stockholders, along with either a proxy card or a voting instruction card, are being mailed to stockholders beginning on or about June 30, 2005. This proxy statement summarizes the information you need to know to vote at the annual meeting. You do not need to attend the annual meeting to vote your shares.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Florida Atlantic Stock Transfer, Inc., you are considered, with respect to those shares, the "stockholder of record." The proxy statement, annual report and proxy card have been sent directly to you by us.

If your shares are held in a stock brokerage account by a bank or other nominee, you are considered the "beneficial owner" of shares held in the "street name." The proxy statement and annual report have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting.

How do I vote?

If your shares are held in the street name, through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares. Stockholders of record can vote as follows:

- *By Mail:* Stockholders should sign, date and return their proxy cards in the pre-addressed, postage-paid envelope that is provided.
- *At the Meeting:* If you attend the annual meeting, you may vote in person by ballot, even if you have previously returned a proxy card.

Who is entitled to vote and how many votes do they have?

Holders of our common stock as of the close of business on June 21, 2005, the record date, are entitled to vote at the annual meeting. Each share of our Common Stock is entitled to one vote. As of the record date, 23,496,191 shares of our Common Stock were outstanding and entitled to vote at the annual meeting.

May I change my vote after I return my proxy card?

Yes, you may change your vote at any time before your shares are voted at the annual meeting by:

- Notifying our Corporate Secretary, in writing at PetMed Express, Inc., 1441 S.W. 29th Avenue, Pompano Beach, FL 33069 that you are revoking your proxy;
- Executing and delivering a later dated proxy card; or
- Voting in person at the annual meeting.

However, if you have shares held through a brokerage firm, bank or other custodian, you may revoke your instructions only by informing the custodian in accordance with any procedures it has established.

What is a quorum of stockholders and what vote is required to approve each item?

Shares representing the majority of the total outstanding votes present or represented by proxy constitute a quorum. If you vote or return a proxy card, your shares will be considered part of the quorum. The affirmative vote of a majority of votes cast is required to approve each item.

How are abstentions and broker non-votes counted?

Abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote. With respect to the election of directors, votes withheld will be treated as shares present for purposes of determining a quorum but are not counted as votes cast on any matter to which they relate.

Who will count the votes?

A representative of The Altman Group, a company contracted by us to assist the Company in the tabulation of proxies, and our Corporate Secretary and General Counsel, Alison Berges, will tabulate the votes and act as inspector of election.

What happens if a nominee for director is unable to serve as a director?

If any of the nominees becomes unavailable for election, which we do not expect, votes will be cast for such substitute nominee or nominees as may be designated by our Board of Directors, unless our Board of Directors reduces the number of directors. Under the policies of our Board of Directors, directors are expected to attend regular board meetings, board committee meetings and our annual stockholders meeting.

How do I get an admission card to attend the annual meeting?

If you are a stockholder of record, your admission card is attached to your proxy card. You will need to bring it with you to the meeting. If you own shares in the street name, you will need to ask your broker or bank for an admission card in the form of a legal proxy. You will need to bring the legal proxy with you to the meeting. If you do not receive the legal proxy in time or you want to attend the meeting but not vote in person, bring your most recent brokerage statement with you to the meeting. We can use that to verify your ownership of Common Stock and admit you to the meeting; however you will not be able to vote your shares at the meeting without a legal proxy. Please note that if you own shares in the street name and you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the meeting and vote in person.

You will also need to bring a photo ID to gain admission.

Who is soliciting my proxy and who pays the cost?

PetMed Express, Inc. and the Board of Directors are soliciting your proxy. The cost of soliciting proxies will be borne by the Company. PetMed Express, Inc. will also reimburse brokerage firms, banks and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you. Our directors, officers and employees may also solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities.

When are the stockholder proposals due for next year's annual meeting?

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in the Company's proxy statement and for consideration at the 2006 annual meeting of stockholders by submitting their proposals to the Company in a timely manner. Proposals that stockholders wish to be included in next year's Proxy Statement for the annual meeting to be held in 2006 must be received at the Company's principal place of business at 1441 S.W. 29th Avenue, Pompano Beach, FL 33069, addressed to the Corporate Secretary's attention, no later than March 15, 2006 and must otherwise comply with the requirements of Rule 14a-8.

Can different stockholders sharing the same address receive only one Annual Report and Proxy Statement?

Yes. The Securities and Exchange Commission permits companies and intermediaries, such as a brokerage firm or a bank, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more security holders sharing the same address by delivering only one proxy statement and annual report to that address. This process which is commonly referred to as "householding" can effectively reduce our printing and postage costs. Under householding, each stockholder would continue to receive a separate proxy card or voting instruction card.

Certain of our stockholders whose shares are held in the street name and who have consented to householding will receive only one set of our annual meeting materials per household this year. If your household received a single set of our annual meeting materials this year, you can request to receive additional copies of these materials by calling or writing your broker, bank or other nominee. If you own your shares in the street name, you can request householding by calling or writing your broker, bank or other nominee.

ITEM 1- AMENDMENT OF ARTICLES OF INCORPORATION TO PROVIDE FOR STAGGERED TERMS FOR DIRECTORS

The Board of Directors unanimously recommends a vote "FOR" the amendment of the Articles of Incorporation to provide for the classification of the Board of Directors into three classes of directors with staggered terms of office.

The Company's By-Laws now provide that all directors are to be elected annually for a term of one year. Florida law permits provisions in the by-laws or the articles of incorporation approved by stockholders that provide for a classified board of directors. The proposed classified board amendment to the Articles of Incorporation described in Exhibit A to this Proxy Statement would provide that directors will be classified into three classes as nearly equal in number as possible. One class would hold office initially for a term expiring at the 2006 annual meeting; another class would hold office initially for a term expiring at the 2007 annual meeting; and another class would hold office initially for a term expiring at the 2008 annual meeting. At each annual meeting following this initial classification and election, the successors to the class of directors whose terms expire at that meeting would be elected for a term of office to expire at the third succeeding annual meeting after their election and until their successors have been duly elected and qualified. Information concerning the current nominees for election as directors at the annual meeting is set forth below under "Election of Directors."

Our Board believes that staggered terms for directors provide stability and continuity in the Board of Directors' leadership and policies, ensuring that a majority of directors will always be familiar with the Company's long-term strategy and goals. This knowledge will assist the directors in fulfilling their duties to our stockholders, providing for greater effectiveness, which ultimately creates value for our stockholders. While management has not experienced any problems with such continuity in the past, it wishes to ensure that this experience will continue. Electing directors to two- or three-year terms will not reduce their accountability to our stockholders. Regardless of their term, all directors will have the same duties and responsibilities to our stockholders.

The Board of Directors also believes that the classified board will assist the Board of Directors in protecting the interests of the Company's stockholders against potentially coercive takeover tactics where a party might attempt to acquire control of the Company on terms that do not offer the greatest value to all stockholders. The proposed classified board amendment will significantly extend the time required to effect a change in control of the Board of Directors and may discourage hostile takeover bids for the Company. Currently, a change in control of the Board of Directors can be made by stockholders holding a plurality of the votes cast at a single annual meeting. If the Company implements a classified board of directors, it will take at least two Annual Meetings for even a majority of stockholders to make a change in control of the Board of Directors, because only a minority of the directors will be elected at each meeting.

Seen as a disadvantage on the other hand, because of the additional time required to change control of the Board of Directors, the classified board proposal will tend to perpetuate present management. Without the ability to obtain immediate control of the Board of Directors, a takeover bidder will not be able to take action to remove other impediments to its acquisition of the Company. While the proposal is not intended as a takeover-resistive measure in response to a specific threat, it may discourage the acquisition of large blocks of the Company's shares by causing it to take longer for a person or group of persons who acquire such a block of shares to effect a change in management. The classified board proposal will also make it more difficult for the stockholders to change the composition of the Board of Directors even if the stockholders believe such a change would be desirable.

In addition, Florida law provides that the stockholders may remove one or more directors with or without cause unless the Articles of Incorporation provide that directors may be removed only for "cause." Cause is not defined in the statute, but it is generally considered a difficult standard to meet in any attempt to remove a director. The amendment of the Company's Articles of Incorporation will specifically provide that directors may be removed only for cause. This will have the effect of preventing a majority stockholder from voting to remove directors whose three-year terms have not yet expired.

ITEM 2 - ELECTION OF DIRECTORS

The Board of Directors unanimously recommends a vote "FOR" the election of the following directors:

Menderes Akdag, Frank J. Formica, Gian M. Fulgoni, Ronald J. Korn, Marc Puleo, M.D. and Robert C. Schweitzer.

Our Board of Directors currently has six members, all of whom are standing for re-election at this year's annual meeting. If our stockholders approve Item 1, above, if elected the directors will serve initial staggered terms of one, two or three years as follows: term of Class I directors for one year: Gian M. Fulgoni and Robert C. Schweitzer; term of Class II directors for two years: Ronald J. Korn and Marc Puleo, M.D.; term of Class III directors for three years: Menderes Akdag and Frank J. Formica. At each annual meeting following this initial classification and election, the successors to the class of directors whose terms expire at that meeting would be elected for a term of office to expire at the third succeeding Annual Meeting after their election and until their successors have been duly elected and qualified. If our stockholders do not approve Item 1, above, if elected the directors will serve until the next annual meeting of stockholders or until the director is succeeded by another director who has been elected.

Each of the nominated directors has agreed to serve if elected. However, if for some reason one or more of them is unable to accept nomination, or election, proxies will be voted for the election of a nominee(s) designated by our Board of Directors. Biographical information for each of the nominees is presented below.

ITEM 3 - RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors recommends a vote "FOR" the ratification of the appointment of Goldstein Golub Kessler LLP as the Company's independent registered public accounting firm.

The Audit Committee has appointed and approved Goldstein Golub Kessler LLP to audit our fiscal year 2006 consolidated financial statements. Representatives of the firm will be available at the annual meeting to make a statement, if they choose, and to answer any questions you may have.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by us under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Report by reference therein.

The Securities and Exchange Commission rules require us to include in this proxy statement a report from the Audit Committee of our Board of Directors. The following report concerns the Audit Committee's activities regarding oversight of our financial reporting and auditing process.

The Audit Committee is comprised solely of independent directors, as defined in the Marketplace Rules of the Nasdaq National Market and under Securities Exchange Act Rule 10A-3(b)(1), and it operates under a written charter adopted by the Company's Board of Directors. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in the oversight of its financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of its consolidated financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. Goldstein Golub Kessler LLP, the Company's independent auditor, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Audit Committee certify that the independent auditor is "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent auditor on the basis of the information it receives, discussions with management and the independent auditor and the experience of the Audit Committee's members in business, financial and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of the Company's independent auditor, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee and the Board of Directors have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the independent auditor. The Audit Committee also reviews the results of the audit work with regard to the adequacy and appropriateness of financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees internal compliance programs.

The Audit Committee has reviewed and discussed the Company's consolidated financial statements with management and the independent auditor, management represented to the Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent auditor represented that its presentations included the matters required to be discussed with the independent auditor by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees."

Goldstein Golub Kessler LLP, the independent auditor, also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with Goldstein Golub Kessler LLP the firm's independence.

Following the Audit Committee's discussions with management and Goldstein Golub Kessler LLP, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report for the fiscal year ended March 31, 2005.

Section 16(a) Beneficial Ownership Reporting Compliance

We became a reporting company under the Securities Exchange Act of 1934 (the "Exchange Act") in March 2000. Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us under Rule 16a-3(d) of the Exchange Act through the fiscal year ended March 31, 2005, the Company is not aware of any person that failed to file on a timely basis, as disclosed in the aforementioned forms, reports required by Section 16(a) of the Exchange Act during the fiscal year ended March 31, 2005.

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee of our Board of Directors and the performance graphs included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filings by us under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Report or the performance graphs by reference therein.

The primary purposes of our Compensation Committee of our Board of Directors, a committee which is comprised solely of independent directors, are to oversee the administration of the Company's compensation programs, review the compensation of executive officers and directors, prepare any report on executive compensation required by the rules and regulations of the Securities and Exchange Commission and generally to provide assistance to the Board of Directors on compensation matters.

During FY 2005, we approved the granting of stock options to the Company's management and other employees.

Components of Executive Compensation

The basic components of executive compensation are:

- Annual Cash Compensation, specifically, base salary; and
- Long-Term Incentive Compensation, specifically, stock options.

Annual Cash Compensation - Base Salary

The purpose of base salary is to create a secure base of cash compensation for executives that is competitive with the market. Executives' salary increases do not follow a preset schedule or formula; however, the following will be considered when determining appropriate salary levels and increases: the individual's current and sustained performance results and the methods utilized to achieve such results; and non-financial performance indicators to include strategic developments for which an executive has responsibility and managerial performance.

We exercise discretion in making salary decisions taking into account, among other things, each individual's performance and the Company's overall performance. With regard to individual performance of executive officers other than the Chief Executive Officer, we rely to a large extent on the Chief Executive Officer's evaluations of each individual executive officer's performance.

Long-Term Incentive Compensation - Stock Options

Long-term incentives comprise the largest portion of the total compensation package for executives. The form of long-term incentives used for executives is stock options. Grant levels will be determined for each executive based on individual performance and potential, history of past grants, time in current job and level of, or significant changes in, responsibility. The purpose of stock options is to provide equity compensation whose value is directly related to the creation of share-owner value. Stock options provide executives a vehicle to increase equity ownership and share in the appreciation of the value of Company stock.

Employment Agreement with Marc Puleo, M.D., President

On May 1, 2000, the Company entered into a two-year employment agreement with Marc Puleo, M.D., current President, which provided for annual cash compensation to him of \$150,000. On November 8, 2000, Dr. Puleo's employment agreement dated May 1, 2000 was amended to reflect a salary of \$75,000 annually. Under the terms of the employment agreement Dr. Puleo received an annual salary of \$75,000, subject to increase no less frequent than an annual review by our Board of Directors. Dr. Puleo's salary was increased to \$100,000 in fiscal year 2002, and then increased to \$150,000 in May 2003. The agreement can be terminated upon the mutual consent of the parties, or upon 90 days notice by the Company, in which case the Company would continue to compensate him under the terms of his employment agreement, or his contract will renew annually.

Employment Agreement with Menderes Akdag, Chief Executive Officer

On March 16, 2001, the Company had entered into an employment agreement with its current Chief Executive Officer, Menderes Akdag. Under the terms of this three-year agreement the Company paid Mr. Akdag an annual salary of \$150,000 for the first six months of the agreement, and thereafter his annual salary was to be increased to \$200,000. The Company also granted Mr. Akdag options to purchase 750,000 shares of its common stock under the Company's 1998 Stock Option Plan at an exercise price of \$.32 per share, which vested at the rate of 187,500 options on each of March 16, 2001, 2002, 2003 and 2004.

The agreement provided the following: the Company can terminate the employment of Mr. Akdag either upon mutual consent or for cause. If the Company should terminate Mr. Akdag for cause, or if Mr. Akdag should terminate the agreement without "good reason" as described in the employment agreement, no severance benefits would be paid. If the Company should terminate Mr. Akdag without cause, the Company would be required to give Mr. Akdag three months notice and continue to compensate him under the terms of this employment agreement during those three months. At the end of the three-month period, the Company would have to pay Mr. Akdag severance benefits equal to his annual base salary, and any previously granted but unvested options would immediately vest. If the Company should terminate Mr. Akdag for cause, as defined in the employment agreement, no severance benefits would be paid. The agreement can be terminated upon the mutual consent of the parties, or upon 90 days notice by the Company during which time the Company would continue to compensate him under the terms of his employment agreement.

On March 16, 2004, the Company amended Mr. Akdag's existing employment agreement. The amendments are as follows: the term of the agreement will be for three years, commencing on March 16, 2004; Mr. Akdag's salary will be increased to \$250,000 per year throughout the term of the agreement, and Mr. Akdag shall be granted 250,000 incentive stock options under the Company's 1998 Stock Option Plan at an exercise price of \$10.64 per share, which vest at the rate of 83,333 options on each of March 16, 2005 and 2006, and 83,334 options on March 16, 2007. All other terms of Mr. Akdag's original employment agreement remain in effect.

Directors' Compensation

Each member of our Board of Directors who is not employed by us receives an annual retainer of \$10,000 per year, paid quarterly. Additionally, upon election to the Board of Directors, each director not employed by us was granted 30,000 stock options, under our 1998 Stock Option Plan, to purchase our Common Stock, at an exercise price equal to the fair market value of the stock at the time of granting, with the options vesting equally over a three-year period. From time to time at the discretion of the Board, additional options may be issued in the future. We also pay the reasonable travel and accommodation expenses of directors in connection with their participation in meetings of the Board of Directors.

Compensation Committee Interlocks and Insider Participation

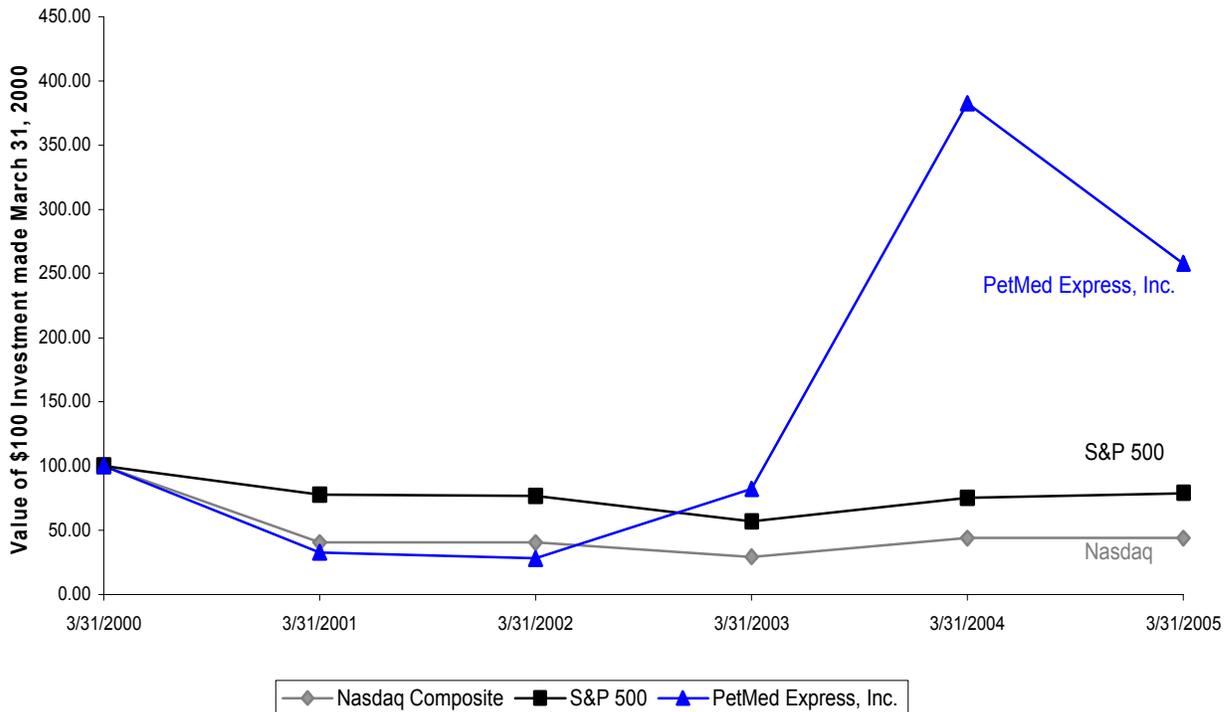

During the fiscal year ended March 31, 2005, Robert C. Schweitzer, Ronald J. Korn and Gian M. Fulgoni served on the Compensation Committee. All members of the Compensation Committee are independent. Accordingly, insiders do not participate in compensation decisions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Board's policy requires that transactions with related parties must be entered into in good faith on fair and reasonable terms that are no less favorable to us than those that would be available in a comparable transaction in arm's-length dealings with an unrelated third party. Our Board, by a vote of the disinterested directors, must approve all related party transactions, recommended by the Audit Committee. Since the beginning of the Company's last fiscal year, the Company has not had, or been a party to, nor is there currently proposed, a transaction with a related party.

PERFORMANCE GRAPH

Set forth below is a graph comparing the cumulative performance of our Common Stock with the Standard & Poor's Composite-500 Stock Index (the "S&P 500") and the Nasdaq Composite (the "NASDAQ") from March 31, 2000 to March 31, 2005. The graph assumes that \$100 was invested on March 31, 2000 in each of our Common Stock, the S&P 500 and the NASDAQ and that all dividends were reinvested.

OTHER MATTERS

Our Board of Directors does not intend to present, or have any reason to believe others will present, any items of business other than those stated above. If other matters are properly brought before the Board of Directors at the annual meeting, the persons named in the accompanying proxy will vote the shares represented by it in accordance with the recommendation of our Board of Directors.
