FY 2020 Highlights

- We obtained direct purchasing relationships with all of the major manufacturers during the year.
- Manufacturers initiated a minimum advertised price policy (MAPP), which stabilized pricing for the e-commerce channel.
- As an essential business, we have been open during normal hours since the onset of the COVID-19 pandemic.
- Due to COVID-19, consumer demand has increased for the e-commerce channel, with pet owners shifting their purchases to online.

NASDAQ: **PETS**

Opportunity for 1-800-PetMeds

- Prescription market share shift from vets to online and other channels...currently only the online channel does the work for the consumer to obtain prescription authorization.
- \$1 billion (20% to 30% of the market) up for grabs...speed of the shift will depend on prescription availability.
- Full Service Pharmacy – continue to expand our extensive line of pet medications.
- Redesigning our website and mobile app to continue to optimize our customers' digital experience.
- Explore Fulfillment & Service Offering Partnerships in 2021
